

DECLARATION OF CONFORMITY

ARTIC INDUSTRIAL QUIMICA SA certifies as a manufacturer:

Product:

ARTIMIX 111. Two-component, high-build waterproofing mortar. For permanent contact with potable water.

Intended uses for this product:

Especially suitable for waterproofing cisterns and/or drinking water tanks. Also for bridges, terraces, planters, fountains, tunnels... both for exterior use and for covering with a compression layer or tiling.

Limitations:

All supports must be clean, dry (<4% moisture on concrete), hard and cohesive.

According to several Standardized Standards related to the functionality of the paint and carrying out several tests in the specialized and accredited laboratories of APLUS (LGAI TECHNOLOGICAL CENTER), the following results and features are offered:

Essential features	Benefits	Test standard
Influence on water intended for human consumption. Migration test.	In agreement with everyone the requirements of the Royal Decree 140/2003	UNE-EN 12873-1:2014

And to attest to this, this document is issued and signed in Balaguer on October 30, 2025.
