

DECLARATION OF CONFORMITY

ARTIC INDUSTRIAL QUIMICA SA certifies as a manufacturer:

Paint:

NATUR ECO. Matte plastic paint highly resistant to bacteria and fungi.

Intended uses for this report: Ideal for

applications in hospitals, residences, schools, hotels, walls, and homes in general. Highly decorative finish.

Limitations:

Although the paint resistance is very high, the initial substrate needs to be completely decontaminated.

According to several Standardized Standards related to the functionality of the paint and after carrying out several tests in the specialized laboratories of THOR, the following results and characteristics are offered:

Essential features	Benefits	Test standard
Reduction of bacterial growth (Staphylococcus and E. coli)	99.9%	ISO 22196:2011

And to attest to this, this document is issued and signed in Balaguer on October 30, 2025.
